Project AEBATH approved last September for renewal to provide time to move agent from area or to terminate. We learned by chance in January that field had agent sign a 10-year lease on an office. C/PI Ops queried Division as to what had happened to alter the situation or, if nothing had, what would happen to the office space. I am informed that agent is now to be moved to WE area and that it is anticipated that lease can be sold probably at a profit. It will be reported on at time of project renewal July 58.</p> <p>748 Thanks</p> <p>cc filed RECARELIN-1 jhl</p> <p>(7839)</p>

MEMORANDUM FOR: Chief, FI/OPS
VIA : SR/COP/CE
SUBJECT : Developments in Project AEBATH
FROM : Chief, SR/3

1. Reference is made to your memorandum, Subject: "Developments in Project AEBATH", dated 28 January 1958, in which you requested justification for contracting for a ten year lease on office space for the principal agent, AECAPELIN-1. The above query was referred to Munich Operations Base per EGMA-5790, dated 18 March 1958. A reply has been received per EGMA-33930, dated 28 April 1958, and a portion thereof follows herewith for your information:

"2. The housing situation as it now exists in West Germany makes it difficult to rent any quarters, especially office space, for less than a 10-year term. MB accepted the terms of the contract since we (MB) felt it was necessary for AECAPELIN-1 to maintain a secure cover.

"3.Should AECAPELIN-1 be transferred from Munich, he (and CIA) will be bound to live up to the provisions of the contract..... However, because of the difficult housing situation, if necessary, it is believed that AECAPELIN-1 will manage to sell the unexpired time of the contract with relative ease and probably little, if any, loss of money."

2. In addition to the above justification, it is possible that AECAPELIN-1 will continue in his role in the Munich area, although no definite decision has as yet been made. Please call [redacted] 3, extension 3945 for any pertinent questions relative to the above case.

Chief, SR/3
